

Celebrating Catholic Schools Week

Starting January 30 Part 2 of a 3 Part Series

Saint Dominic Academy Pre-Kindergarten

Where friends come to learn, play and grow.

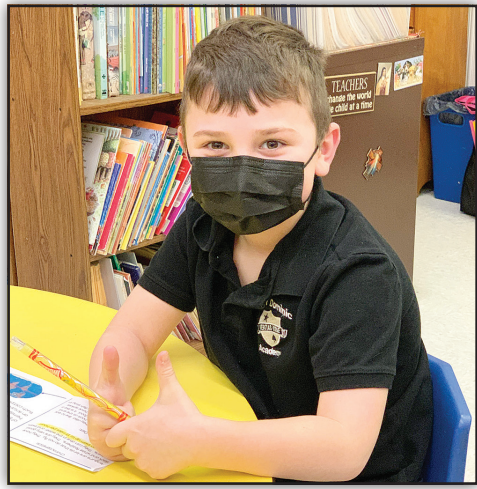

About St. Dom's Pre-K

Our faith-filled classroom places special emphasis on social and emotional learning through a standards-based early childhood curriculum. Daily instruction takes place in small or large group learning centers, featuring weekly learning units in literacy, math, science, social studies, and religion and community service projects. Our program is enhanced by creative and outdoor play, service projects, and regularly scheduled classes in art, music, computer, library and physical education.

We believe that children thrive in an environment that values their own uniqueness, while being supported and being given opportunities to grow emotionally, socially and creatively. By building on each child's strengths, interests, and curiosities, we guide each child to explore

the world around them, develop new abilities, and form close relationships.

For more information about Saint Dominic Academy's Pre-K program, please contact the school at 207-783-9323, or email Pre-K teacher Kristine Fox at Kristine.fox@portlanddiocese.org
